

Head and Neck Workshop May 2012

Welcome

Purpose of the day

- To update on current agendas-
commissioning, clinical lines of enquiry
- To update on available National data –
NCIN/OCIU and 7th AR DAHNO
- To present the updated DAHNO
system/ changes
- To explore how we can make better use
of information for patients, clinicians
and commissioners

Format of meeting

- **a. Presentations**
- **b. Interaction**
- **c. Table work**

Table work

To explore how we can make better use of information for patients, clinicians and commissioners

- what should/ could stakeholders see from information? The “so what ?”**
- what should the audit improve on/ focus on going forward- next 3 years ?**
- the NCIN work programme 12/13- further opportunities / comments ?**
