The National Forum for MDT Coordinators was established to provide a national voice for the MDT Coordinators with a view to supporting and developing its members' rapidly changing role. The forum provides a useful network for MDT coordinator colleagues to communicate, exchange ideas, views and problems.

We currently have just over 500 members - to register with the MDT Coordinators Forum please complete

As the National Cancer MDT Coordinators' Forum, we provide a national voice to inform, support and motivate fellow coordinators, to bring professional recognition to the role and contribute to improving the patient pathway.

The image shows a screenshot of the Twitter mobile application interface. At the top, there is a blue header with the Twitter logo on the left and a search icon on the right. Below this is a dark navigation bar with icons for Home, Mentions, Hashtags, Profile, and Compose. A yellow notification banner is present, stating: "You are on Twitter Mobile because you are using an old version of Internet Explorer. Learn more [here](#)".

The main content area displays the profile for "MDT Forum" (@MDTForum). The profile picture is a circular logo with a purple and pink design. The bio reads: "We provide a national voice to inform, support and motivate fellow coordinators, bring professional recognition and contribute to improving the patient pathway <http://bit.ly/16GVywb>".

Below the bio, there are three statistics: "0 TWEETS", "0 FOLLOWING", and "0 FOLLOWERS". Underneath these are two buttons: "Your favorites" and "Direct messages". At the bottom, there is a search bar with the placeholder text "Enter a topic, @name, or fullname".
